

Bruyn Homes introduces the Cambridge. This quality custom home features 2304 finished square feet with third stall garage, including 4 bedrooms, two and a half baths. The basement is plumbed for additional bathroom, bedroom and large family room. This large open, kitchen, dining and great room provide clean site lines throughout. The upgraded finishes such as Quartz for the kitchen counter top, tile shower and soaking tub in Master bath, set this home apart. The Cambridge offers a flex room on the main floor with barn door, spacious mudroom with lockers and drop zone, walk in pantry in kitchen, and large laundry room with sink. The great room includes a beautiful fireplace with built ins. Bruyn Homes prides itself on craftsman style, custom finishes designed onsite, such as arches, pillars, custom closets, and built ins. Bruyns in house designer works closely with each client to bring their vision to fruition. Home pricing on the Cambridge starts at \$399,500 with lot included, in the scenic Boulder View development, located in the award winning Rockford school district.
